SAVE PLUS is our ecological range that combines quality recycled paper, with a whiteness degree of 75%, for a significant saving.

SAVE PLUS is produced from cellulose trimmings in a sustainable way without using chemical additives, bleach, or optical whiteners.

A singular paper mill allows us to obtain a clean recycled paper with no waste or sludge which are harmful for man and nature. The guarantee of Ecolabel and PEFC certified recycled paper that respects all Green Public Procurement criteria requested in public tenders.

Save Plus is a one of a kind original paper that meets:

Laboratory tests demonstrate the product is dermatologically tested

Suitable to come in contact with dry, moist and fatty foodstuffs according to Regulation 1935/2004/CE in all European countries, except for Italy.

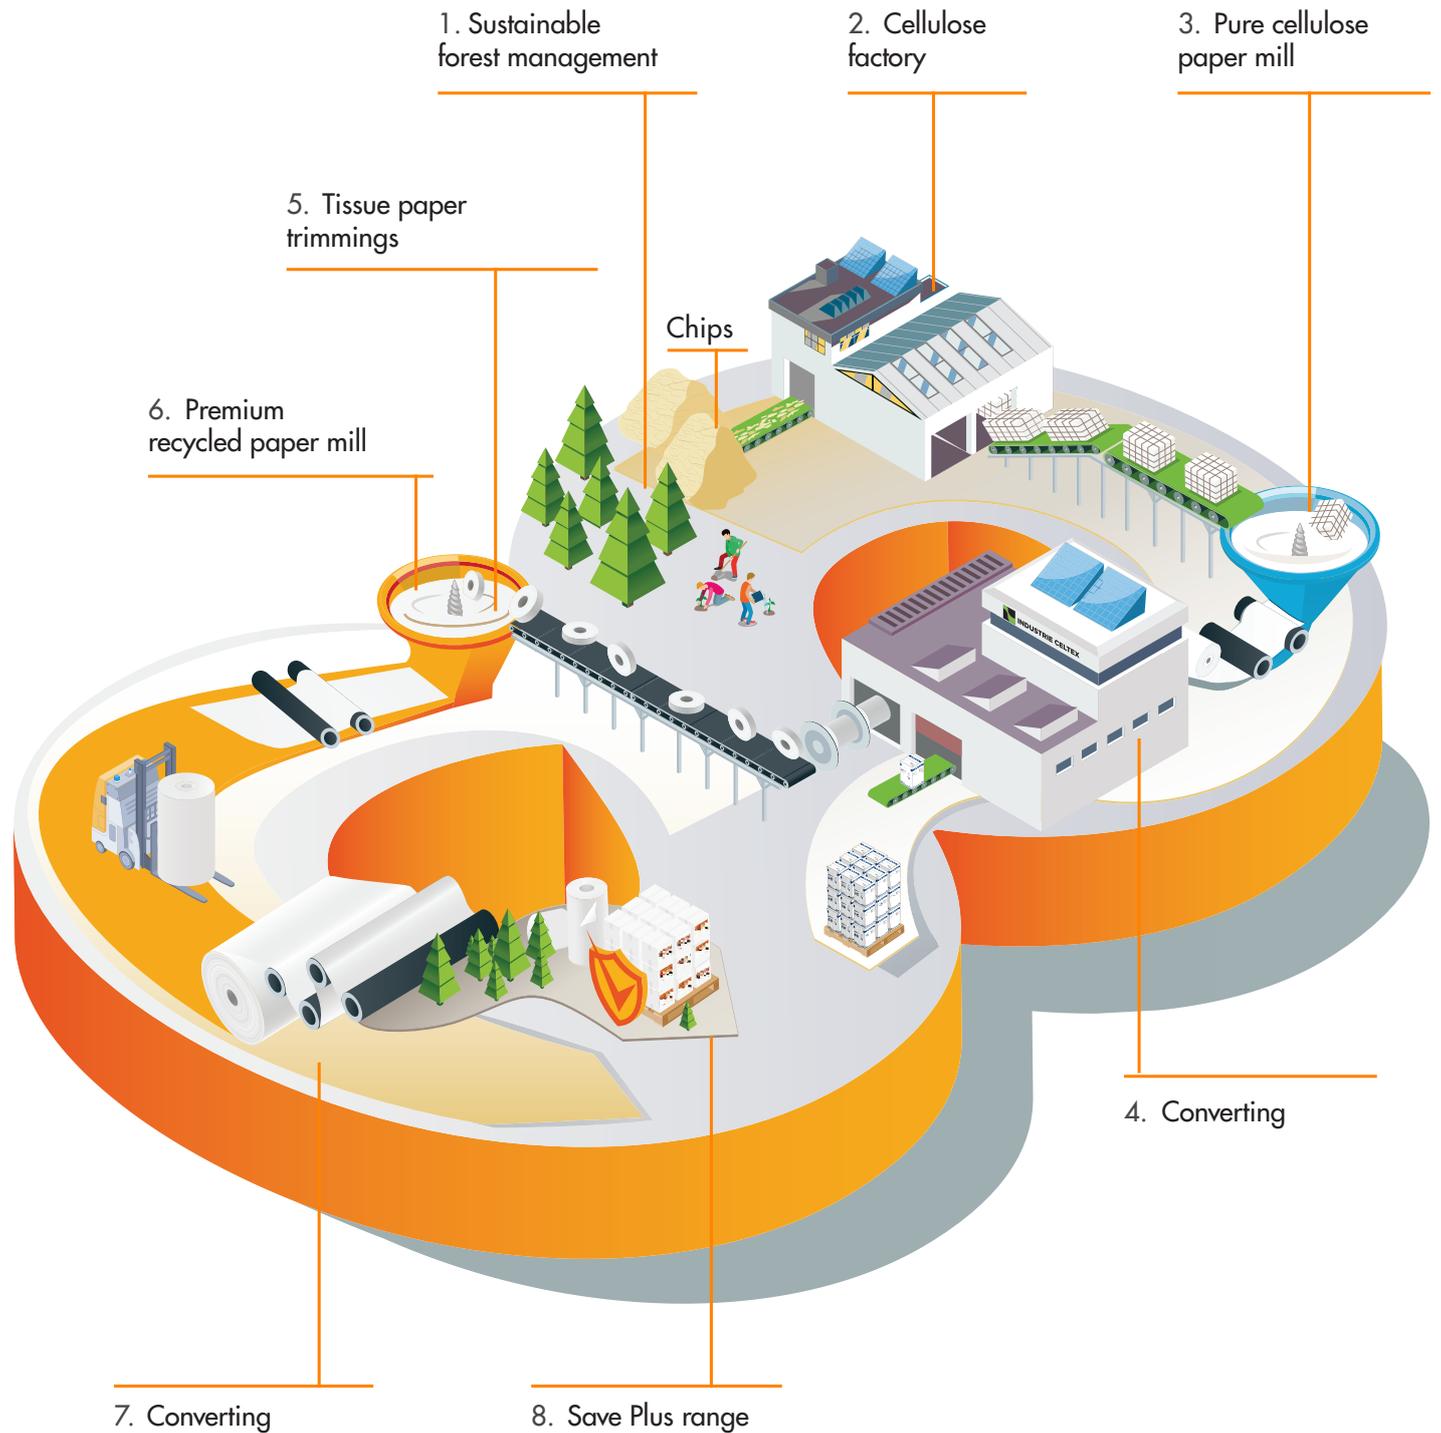

On average, all Save Plus toilet papers dissolve naturally in water in 15 seconds, as confirmed by tests carried out by an accredited external laboratory under the "Dissolution AFNOR: Standard NF Q 34-020:1998".

Since Save Plus Line meets EU GPP criteria, it can be offered in public tenders organized by contracting authorities. Save Plus products are compliant with EU Ecolabel requirements

100% ECOLOGY. 100% ADVANTAGE. 100% BLUE ECONOMY

Smell free
A smell-free product even when wet

Mud free
Does not produce harmful sludge

Chemical free
Does not use chemical additives in production process

"We believe that every business model today must not disregard Blue Economy values to guarantee safeguards towards the environment and resources.

Industrie Celta is inspired by a perfect equilibrium of natural ecosystems where nothing is wasted and everything is reused in a circular process; to transform waste into new raw material"

Andrea Bernacchi
President and CEO
of Industrie Celta
