## DESIGN WITHOUT LIMITS

**WASHBAR® SOLUTIONS**

CLEAN.RINSE.DRY

ALL-IN-ONE

**Transform your restroom with Bradley's all-in-one touchless WashBar® now available with undermount basins.**

If you have a complex deck design or a special deck material but want the elegant simplicity of the WashBar®, you can have it all to meet your design intent. Pair the WashBar with a Terreon® solid surface or Evero® natural quartz cast-formed undermount basin and the deck or countertop of your choice, from granite to quartz to concrete.

**UNTOUCHABLES  
TOUCHLESS  
TECHNOLOGY.**

THE  
TOUCHLESS  
RANGE

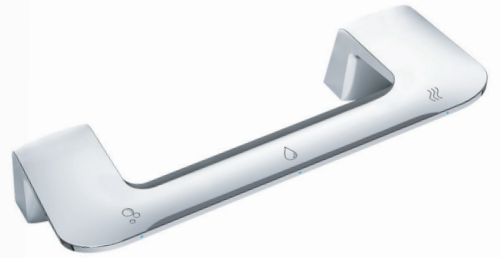

## ALL-IN-ONE WASHBAR

All the fundamentals of handwashing have been thoughtfully designed into Bradley's cutting edge WashBar.

Next Gen Washbar

Washbar

### CLEAN

- Touch-free activation
- Low level LED indicator
- Gallon (3.8 L) soap capacity
- Simply replace soap tank –no cleaning or refilling
- Liquid and foam soap

### RINSE

- Touch-free activation
- 1.9 LPM
- Ultra-high efficient 1.3 LPM option where water conservation is a necessity

### DRY

- Touch-free activation
- Heated air stream dries hands quickly and efficiently
- Adjustable speed for quieter hand drying

The WashBar with undermount basin gives designers the flexibility they want and all the benefits of the award-winning WashBar: completely touch-free activation, eliminating the cost and mess of paper towels, convenience and safety by keeping water off the floor, and a clutter-free aesthetic.

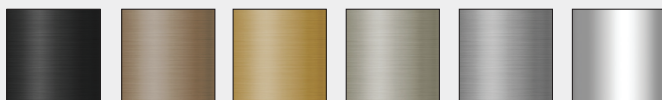

### ADVANTAGES OF THE WASHBAR:

- Icons and LED lights to visually orient users
- Adjustable LED light brightness
- Smart sensor technology eliminates false activations
- WashBar and bowl work together to keep water in the basin
- Gallon soap capacity to reduce the number of replacements
- Captures soap and water activations for maintenance planning
- Cleaning mode for easy cleaning

Package includes WashBar (soap, faucet and dryer platforms), basin and optional access panel.
